

# Course evaluation

Your input is needed to improve future training courses. At the completion of the course, please take a few minutes to complete this evaluation and return it to your instructor.

Circle the number representing your response using the following scale:

**1=Not at all; 2=Poorly; 3=Satisfactory; 4=Very Well; 5=Extremely Well**

- 1. Scuba material presented was understood.                    1        2        3        4        5
- 2. Scuba material was presented in a logical manner.        1        2        3        4        5
- 3. This scuba course meets your needs.                        1        2        3        4        5
- 4. Instructor presented the information effectively.        1        2        3        4        5
- 5. The instructor answered all your questions.            1        2        3        4        5
- 6. Pool training was complete.                                    1        2        3        4        5
- 7. The instructor made the course enjoyable.                1        2        3        4        5
- 8. Certification dives were complete.                            1        2        3        4        5
- 9. Likely to recommended this course to others.            1        2        3        4        5
- 10. Overall how satisfied with this course were you.        1        2        3        4        5
- 11. The Final Exam was complete                                1        2        3        4        5
- 12. How likely are you to take another NAUI class        1        2        3        4        5
- 13. How would you suggest changing this course? \_\_\_\_\_  
\_\_\_\_\_

14. How would you suggest improving the course? \_\_\_\_\_  
\_\_\_\_\_

15. What parts of this training course were most beneficial? \_\_\_\_\_  
\_\_\_\_\_

16. What do you suggest needs to be added to the training? \_\_\_\_\_  
\_\_\_\_\_
